

NEMS Healthcare Limited - Salaried GP Post

NEMS Platform One Practice/

NHS Nottingham City 8am-8pm Health Centre

We are looking for a highly motivated, enthusiastic salaried GP to join our team working at our two locations for six sessions per week, with some weekend sessions. Platform One Practice is a GP Practice situated on Station Street with a rapidly growing list size and NHS Nottingham City 8am-8pm Health Centre, located on Upper Parliament Street, provides a primary care service for walk-in patients, but also serves as an additional site for Platform One Practice registered patients.

In addition to being committed to providing high quality care, applicants need to be flexible and receptive to working in new ways, within a multi-professional team.

Applicants will ideally hold MRCGP. Competence in the fitting of Intra-Uterine devices would be desirable but interested applicants should be willing to attend the relevant training to provide this service.

Employees are eligible for the NHS pension scheme and salary will be in the region of £75,000-83,000 pro-rata dependent on experience.

For an application pack or informal discussion, please contact Lynn LaPare on: 0115 916 6062 or 07810 794428, or E-mail laparel@nems.nhs.uk.
